Summary			
Account name	Branch Saver 95 (Issue 13)		
What is the interest rate?		Annual	
	Balance	Gross*	AER†
	£1,000+	3.45%	3.45%
	Rates effective from 22 September 2025. Interest is variable, calculated on a daily basis and paid annually on 31 March.		
Can Marsden Building Society change the interest rate?	The interest rate is variable so we can increase or decrease the rate at any time subject to 14 days' notice. If the interest rate on your account falls, and the balance in your account is £100 or more, we'll personally notify you of the change. If we reduce your interest rate, you can choose to close your account, make a partial withdrawal, or switch to another account. You can do this within 30 days of us notifying you of the change without incurring an interest penalty or paying any charges. If you don't close or switch your account within 30 days, we'll consider you to have accepted the change. For more details about why we may change the rate, please refer to our Retail Savings Terms & Conditions. All our interest rates are available in branch or on our website.		
What would the estimated balance be after 12 months based on a £1,000 deposit?	If you saved £1,000 the estimated balance after 12 months would be £1,034.50. This example assumes an investment is made on 01 April, no withdrawals or further deposits are made throughout the 12 months, the interest earned is added to the account annually, and no changes are made to the current interest rate. It's provided for illustrative purposes only and doesn't take into account your individual circumstances.		
How do I open and manage my account?	This account is available to UK residents and can be opened and operated at a branch. Joint accounts are allowed. The minimum balance to open the account is £1,000. The overall maximum holding by any one person in respect of all savings accounts with the Society is £250,000. This includes money held in a joint account. Additional deposits can be made at any time up to the maximum allowed. Payments into the account can be made in cash, by cheque or debit card (up to £1,000). You can also pay in by electronic payment (but not direct debit) or standing order.		
Can I withdraw money?	You can withdraw from your account by giving 95 days' notice in branch. Limits apply on cash withdrawals. It's not possible to withdraw funds without giving 95 days' notice.		
Additional information	*Interest will be paid gross. This means all the interest we pay you will be without tax deducted. If the total amount of interest you receive exceeds any Personal Savings Allowance to which you're entitled, you may have to pay tax at the applicable rate. This would need to be paid directly to HM Revenue & Customs. For more information, please visit gov.uk and search for 'Personal Savings Allowance'. †AER stands for the Annual Equivalent Rate and shows you what the interest rate would be if interest was paid and added each year.
