Summary	
Account name	Fixed Rate Cash ISA (Issue 346)
What is the interest rate?	<table><tr><td></td><td colspan="2">Annual</td><td colspan="2">Monthly</td></tr><tr><td>Balance</td><td>Tax-free*</td><td>AER†</td><td>Tax-free*</td><td>AER†</td></tr><tr><td>£5,000+</td><td>4.70%</td><td>4.70%</td><td>4.60%</td><td>4.70%</td></tr></table> Rates effective from 12 November 2026. Interest is fixed, calculated on a daily basis and paid annually on 31 January or monthly on the last working day of the month.
Can Marsden Building Society change the interest rate?	The interest rate is fixed which means that we won't change the interest rate payable on your account prior to maturity on 31 January 2029.
What would the estimated balance be after 12 months based on a £5,000 deposit?	If you saved £5,000, the estimated balance after 12 months would be £5,235. This example assumes an investment of £5,000 is made on 01 February, no withdrawals or further deposits are made throughout the 12 months, the interest earned is added to the account annually, and no changes are made to the current interest rate. It's provided for illustrative purposes only and doesn't take into account your individual circumstances.
How do I open and manage my account?	This account is available to UK residents and can be opened and operated at a branch. You may be able to open an account if you're not a UK resident. Please see 'Eligibility' on page 2 for more details. The minimum balance to open the account is £5,000. The overall maximum holding by any one person in respect of all savings accounts with the Society is £250,000. This includes money held in a joint account. The first payment into the account can be in cash, by cheque, debit card (up to £1,000) or transfer from another Marsden account. You can also pay in by electronic payment (but not direct debit or standing order). If opened by debit card, the remainder of the minimum opening balance must be paid by Faster Payment within 48 hours of the account opening. Additional deposits can be made within 14 days of the account opening up to the annual ISA subscription limit, currently £20,000 for the 2026/27 tax year. Additional deposits can be in cash, by cheque, or electronic payment (but not direct debit or standing order). Transfers of used ISA allowances are not permitted. Account accepts current year's subscription only.
Can I withdraw money?	You won't be able to make any partial withdrawals before maturity. You can close your account prior to maturity, or transfer to a new ISA provider; however you'll incur an interest penalty equivalent to 270 days' interest. If you want to transfer your ISA to another provider, please speak to them as they'll need to arrange an ISA Transfer to protect the tax-free status of your savings.
Additional information	Interest will be paid tax-free. The favourable tax treatment of ISAs may change in the future. *Tax-free means that interest is not subject to income tax. †AER stands for the Annual Equivalent Rate and shows you what the interest rate would be if interest was paid and added each year.

Further Terms and Conditions

There are four types of ISA; these are Cash ISAs, Stocks and Shares ISAs, Innovative Finance ISAs and Lifetime ISAs. The Society offers the Fixed Rate Cash ISA. From 06 April 2026, the overall ISA subscription limit for 2026/27 is £20,000 for anyone eligible to invest in an ISA. Up to £20,000 of the new ISA allowance can be saved in a Cash ISA, alternatively you can split the subscription in any proportion between a Cash ISA, a Stocks and Shares ISA, an Innovative Finance ISA and a Lifetime ISA but only to the extent that the £4,000 Lifetime ISA limit is not breached. You can subscribe to more than one of each type of ISA as long as you do not breach the annual subscription limit. Please note, that we cannot accept applications for a Marsden Cash ISA if you have already subscribed to another Cash ISA, either with us, or with another provider in the same tax year.

Stakeholder Standards

These are guidelines set by the Government to make it easier for you to identify simple, low-cost savings products. For example, for a Cash ISA, Stakeholder Standards mean:

- There are no account charges
- The minimum investment is not more than £10
- Withdrawals can be made in 7 working days or less and there is no limit on the number of withdrawals.
- They provide a variable interest rate guaranteed to be no lower than 1% below the Bank of England base rate.

The Fixed Rate Cash ISA does not meet the Stakeholder Standard. However, a Stakeholder Standard ISA may not necessarily be more suitable than a Non-stakeholder Standard ISA. It simply shows that the product meets all of the Government's criteria.
