Further Terms and Conditions

There are four types of ISA; these are Cash ISAs, Stocks and Shares ISAs, Innovative Finance ISAs and Lifetime ISAs. The Society offers the Online Cash ISA. From 06 April 2026, the overall ISA subscription limit for 2026/27 is £20,000 for anyone eligible to invest in an ISA. Up to £20,000 of the new ISA allowance can be saved in a Cash ISA, alternatively you can split the subscription in any proportion between a Cash ISA, a Stocks and Shares ISA, an Innovative Finance ISA and a Lifetime ISA but only to the extent that the £4,000 Lifetime ISA limit is not breached. You can subscribe to more than one of each type of ISA as long as you do not breach the annual subscription limit. Please note, that we cannot accept applications for a Marsden Cash ISA if you have already subscribed to another Cash ISA, either with us, or with another provider in the same tax year.

Stakeholder Standards

These are guidelines set by the Government to make it easier for you to identify simple, low-cost savings products. For example, for a Cash ISA, Stakeholder Standards mean:

- There are no account charges
- The minimum investment is not more than £10
- Withdrawals can be made in 7 working days or less and there is no limit on the number of withdrawals.
- They provide a variable interest rate guaranteed to be no lower than 1% below the Bank of England base rate.

The Marsden Online Cash ISA does not meet the Stakeholder Standard. However, a Stakeholder Standard ISA may not necessarily be more suitable than a Non-Stakeholder Standard ISA. It simply shows that the product meets all of the Government's criteria.
