*Interest will be paid gross. This means all the interest we pay you will be without tax deducted. If the total amount of interest you receive exceeds any Personal Savings Allowance to which you're entitled, you may have to pay tax at the applicable rate. This would need to be paid directly to HM Revenue & Customs. For more information, please visit gov.uk and search for 'Personal Savings Allowance'.

†AER stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and added each year. We pay all savings interest gross, which means no tax is deducted. It's your responsibility to pay any tax due, based on your individual circumstances. Tax rules may change in future.

*Tax-free means that interest is not subject to income tax.
