This account is intended to be used as a savings account and this is not a Payment Account for the purposes of the Payment Services Regulations 2009.

Further terms and conditions

There are four types of ISA; these are Cash ISAs, Stocks and Shares ISAs, Innovative Finance ISAs and Lifetime ISAs. The Society offers the Fixed Rate Cash ISA. From 6 April 2021 the overall ISA subscription limit for 2021/22 is £20,000 for anyone eligible to invest in an ISA. Up to £20,000 of the new ISA allowance can be saved in a cash ISA, alternatively you can split the subscription in any proportion between a cash ISA, a stocks and shares ISA, an innovative finance ISA and a lifetime ISA but only to the extent that the £4,000 lifetime ISA limit is not breached. In each tax year you can only subscribe to one cash ISA, one stocks and shares ISA, one innovative finance ISA and one lifetime ISA.

Stakeholder Standards

These are guidelines set by the Government to make it easier for you to identify simple, low-cost savings products. For example, for a cash ISA, Stakeholder Standards mean:

- There are no account charges
- The minimum investment is not more than £10
- Withdrawals can be made in 7 working days or less and there is no limit on the number of withdrawals.
- They provide a variable interest rate guaranteed to be no lower than 1% below the Bank of England base rate.

The Fixed Rate Cash ISA does not meet the Stakeholder Standard. However, a Stakeholder Standard ISA may not necessarily be more suitable than a Non-stakeholder Standard ISA. It simply shows that the product meets all of the Government's criteria.
